

# Susanna Gionfra

---

Susanna Gionfra joined IEEP as a Policy Analyst following an internship with the Green Economy team in Brussels. Her work focuses on economic and policy analysis of EU circular economy, waste and plastics legislation, as well as sustainable consumption and the related policy measures and indicators. She has been involved in projects related to beyond GDP indicators, socio-economic benefits of nature, market-based instruments and assessments of the links between production, environment and environmental policy. Susanna also holds a BSc in Economics from Queen Mary University of London and an MSc in Environmental Economics and Climate Change at the London School of Economics.
