

**BIOGRAPHY Philip Thonhauser, President THONHAUSER USA, Inc.:**

Philip Thonhauser studied biochemistry at a technical school in Austria, and received his MBA degree in Business Administration from universities in Milan, Italy and Vienna, Austria.

In 2002 Philip became CEO of the Thonhauser Company (founded by his father in 1978) and focused on research and development to cultivate oxidation-based and environmentally-friendly chemistry which provides a COLOR CHANGE as an indication of clean. Today THONHAUSER holds a variety of awards and approvals from international beverage companies for both, its PST color change technology and its dry lubrication system TM SMART TRACK.

In 2008 Philip moved US where he helps building up Thonhauser USA. He lives with his wife and their two kids in Westchester County, NY and loves being in this beautiful country! He joint ISBT in 2003 and is glad to be part of this great organization.
